

You are cordially invited to...

**GEORGIA'S ADOPTION
CELEBRATION**

"Celebrating Adoption" is held each year in November to commemorate National Adoption Awareness Month. This fun-filled event celebrates children who have found permanent and loving homes through public, private, and international adoptions. "Celebrating Adoption" is also an opportunity to educate the community and recruit future prospective adoptive families for the children who are still looking for a permanent place to call home.

"Celebrating Adoption" is organized by the **Adoption Celebration Committee**, which includes volunteers from private, public, and community organizations that advocate on behalf of Georgia's children who need permanency. "Celebrating Adoption" offers something for everyone...those who are considering adoption, those who have already adopted and those who are concerned and interested in the welfare of children in need of adoptive families.

*Please come join us as we once again
Celebrate the Joy of Adoption!*
